

Season Standards Manual

Welcome to Central Valley Robotics' new Season Standards Manual!

The purpose of this online manual is to fully describe participation expectations for *FIRST*LEGO League and *FIRST*LEGO League Jr. teams in the Central California Area. In the following pages, teams and coaches will find information on important details and deadlines for before, during, and after official tournaments that are under the jurisdiction of Central Valley Robotics (CVR). All procedures discussed in this manual are implemented equally at all CVR events. This document is provided as an addition to any official documents from *FIRST*.
